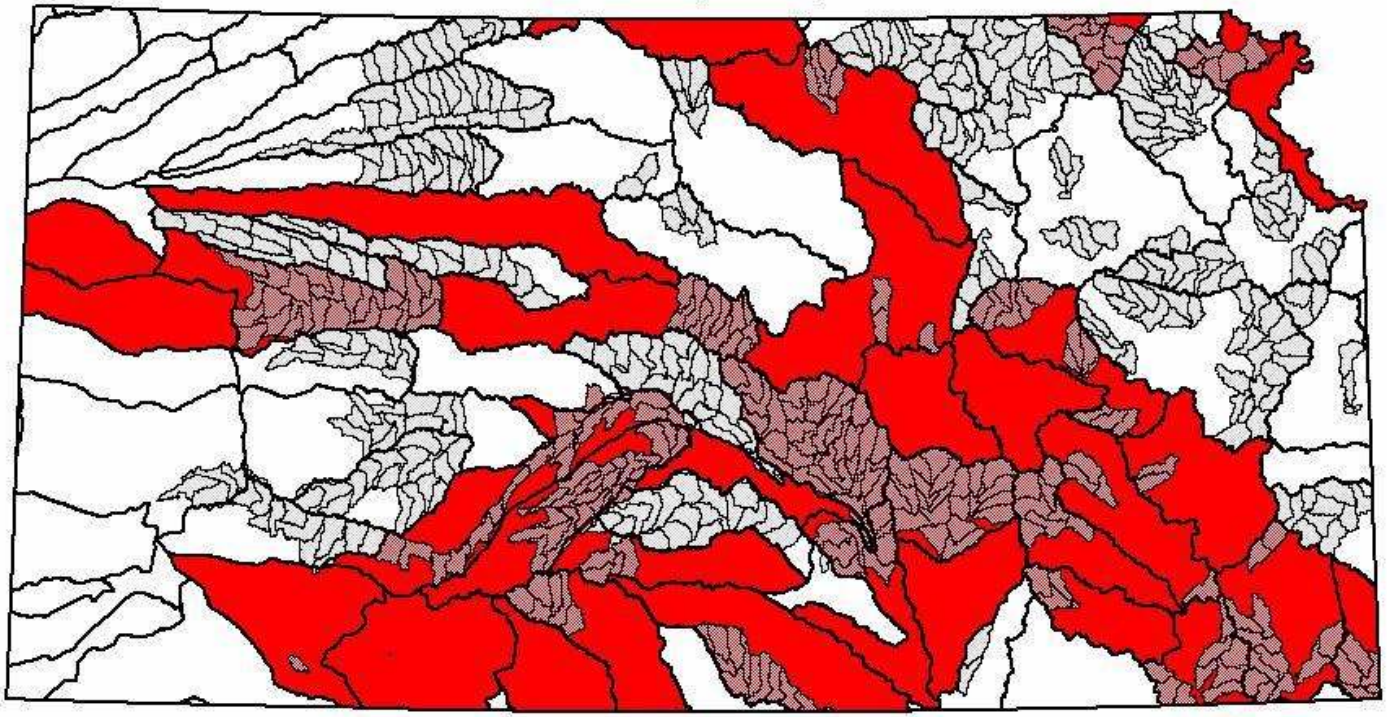
KDWP Natural Resource value assessment and KDHE TMDL priority status



KDHE TMDL High Priority/KDWP High Biological Priority
KDHE TMDL High Priority/KDWP Low Biological Priority
KDWP Low Biological Priority
KDWP High Biological Priority

Natural Resource Value Assessment--HUC 8
TMDL High Priority Watersheds--HUC14

TMDL data (KDHE)
Implementation priority is tentative for the Upper Republican, Smoky Hill/Saline, and Solomon river basins.

Natural Resources Assessment Value (KDWP)
Information developed to assess natural resource impairment for the Unified Watershed Assessment.
