INSTRUCTIONS TO RESPONDENTS

1. **OFFERS SUBJECT TO THESE TERMS.** All offers submitted shall be deemed to have been made with full knowledge of all the terms herein contained. Respondents are expected to inspect the property and form their own conclusions as to its suitability for the stated purposes. Failure to make such inspection will not constitute grounds for any claim for adjustment or for the withdrawal of the offer after the time of opening offers. The property is now subject to inspection by prospective respondents. The Government makes no guaranty or warranty, either expressed or implied, with respect to the property.

2. **OFFER FORMAT.** Offers **must** be submitted in the attached format, which is provided, on pages **11 thru 15**. *(Page 12 must be submitted if you are submitting as a corporate entity. Page 13 must be submitted if you are submitting your offer as a governmental entity. Page 14 must be submitted if you are submitting your offer as a partnership.)* **For the offer to be valid, a complete Request for Grantee Social Security Number and/or Taxpayer ID Number form on page 15 must be included with your offer.** The Corps of Engineers requires each person doing business with the agency to furnish such person's taxpayer identification number. This information is mandatory under the Debt Collection Improvement Act of 1996, Public Law 104-134, April 26, 1996, 110 Stat 1321-358. The agency intent is to use such number for purpose of collecting and reporting on any delinquent amounts arising out of such person's relationship with the Government. **Failure to provide accurate information may result in your lease request being denied.**

3. **EXECUTION OF OFFERS.** Each offer must give the full address of the responder and be signed with the responder's usual signature. Any additional sheets shall be identified with the responder's name. An offer executed by an agent on behalf of the responder shall be accompanied by an authenticated copy of the power of attorney, or other evidence of authority. If the responder is a corporation, the Certificate of Corporate Responder must be executed. If the offer is signed by the secretary of the corporation, the Certificate must be executed by another officer of the corporation. In lieu of the Certificate, records of the corporation which show the authority of the officer signing, and which the secretary or assistant secretary, under the corporate seal, certifies to be true copies, must be attached.

4. **DEPOSIT REQUIRED.** No offer will be considered without a deposit approximately equal to and not less than twenty-five percent (25%) of the annual rental offered, to guarantee that the responder will enter into a written lease and pay the balance of the rental due within thirty (30) days after receipt of written notice of acceptance of his/her offer and a draft of lease for execution. Such guarantee must be in the form of a money order or check, payable to the "FAO USAED, TULSA". The deposits of unsuccessful responders will be returned, as promptly as possible, after rejection. However, in the event of default by any responder, that responder's deposit may be applied by the Government to any Government loss, cost and expense occasioned thereby, including any incurred in leasing the property and any difference between the rental for another lease, if the latter amount is less. The responder is liable for the full amount of damages sustained by the Government because of his/her default; such liability is not limited to the amount of the responder's deposit.

5. **SUBMISSION OF OFFERS.** It will be the duty of each responder to have the offer delivered by the time and at the place prescribed in the Notice of Availability for Leasing. Offers will be securely kept, unopened. No responsibility will attach for the premature opening of an offer not properly addressed and identified.

6. **LATE OFFERS, MODIFICATION OR WITHDRAWAL OF OFFERS.** The person whose duty it is to open the offers will decide when withdrawals of an offer will be considered. Offers may be modified or withdrawn only by written requests received from respondents prior to the time fixed for opening. Negligence in preparing the offer confers no right to withdraw the offer after it has been opened. Offers, modifications, or withdrawals received after the time fixed for opening and before award is made will be considered if sent by registered mail not later than the 7th calendar day prior to the date specified for receipt of offers or if sent by mail and it is determined by the Government that the late receipt was due solely to mishandling by the Government after receipt at the Government installation.

7. **OPENING OF OFFERS.** At the time fixed for the opening, offer contents will be made public. Any information submitted in support of the offer will, upon request, be held in strict confidence by the United States, if disclosure might tend to subject the responder to a competitive business disadvantage.

8. **AWARD OF LEASE.** Leases will be awarded to the highest and/or best responder who is responsive to this Notice of Availability for Leasing, provided that the responder is responsible, the responder is reasonable, and it is in the interest of the United States to accept it.

9. **PROCEDURE FOR AWARD.**

a. Following the opening, the Government may require any responder to furnish additional evidence of financial condition, ability to assume the obligations and responsibilities imposed by the lease, and other information the Government considers desirable. Failure to submit this information in 30 days or such other reasonable time as the Real Estate Contracting Officer specifies may be the basis for rejecting the offer.

b. The lease will be awarded to the responder who offers the highest and/or best fixed annual rental and whom the Real Estate Contracting Officer determines to be fully qualified financially, by experience, character and otherwise to furnish the facilities and services determined to be necessary to adequately serve the public demand at the proposed site.

10. **ACCEPTANCE OF OFFERS.** All offers will remain open for acceptance or rejection for 30 days from the date of opening. Notice of award will be given as soon as practicable to the successful responder personally, to a duly authorized representative, or in writing to the responder at the address indicated in the offer.

11. **REJECTION OF OFFERS.** The right is reserved, as the interests of the Government may require, to reject at any time any and all offers, to waive any informality in offers received, and to accept or reject any items of any offer unless such offer is qualified by specific limitation.

12. **DEFAULT.** In the event that the successful responder fails to enter into a lease within thirty (30) days after receipt of Government notification that his/her offer has been accepted and receipt of a draft lease for execution, or in the event that the successful responder fails to otherwise comply with the terms of this Notice of Leasing, the Government may declare the responder in default and retain the deposit as liquidated damages.

13. **ADDITIONAL INFORMATION.** Any additional information may be obtained from the Tenkiller Ferry Lake Office.

Purpose of Form: This information is mandatory under the Debt Collection Improvement Act of 1996, Public Law 104-134, April 26, 1996, 110 Stat 1321-358. The head of each Federal Agency must require each person doing business with that agency to furnish to that agency such person's taxpayer identification number. The agency intent is to use such number for purposes of collecting and reporting on any delinquent amounts arising out of such person's relationship with the Government. OMB Circular A-129, App. A, part V, and DOD Financial Regulation 7000.14-R, Vol. 4, chapter 3, states that any close-out of accounts receivable procedures will include reporting the close-out amount on IRS Form 1099-C. IRS Form 1099-C is an income form which requires a taxpayer identification number and means that the agency will report the uncollectible debt to IRS as income to the person who failed to pay the uncollectible debt owed to the agency under the outgrant. The 1099-C reports the uncollectible debt as income to the debtor, which may be taxable at the debtor's current tax rate. Failure to provide this information may result in your outgrant request being denied.

This statute requires the imposition of an interest charge for the late payment of debts owed to the United States; an administrative charge to cover the costs of processing and handling delinquent debts; and the assessment of an additional penalty charge on any portion of a debt that is more than 90 days past due. The provisions of the statute will be implemented as follows:

6. APPLICABLE LAWS AND REGULATIONS

The Lessee shall comply with all applicable Federal, state, county and municipal laws, ordinances and regulations wherein the premises are located.

7. CONDITION OF PREMISES

The Lessee acknowledges that it has inspected the premises, knows its condition, and understands that the same is leased without any representation or warranties whatsoever and without obligation on the part of the United States to make any alterations, repairs or additions thereto.

8. TRANSFERS AND ASSIGNMENTS

Without prior written approval of the Grantor, the Lessee shall neither transfer nor assign this lease, nor sublet the premises or any part thereof, nor grant any interest, privilege or license whatsoever in connection with this lease. Failure to comply with this condition shall constitute a noncompliance for which the lease may be revoked immediately by the District Engineer.

9. PROTECTION OF PROPERTY

The Lessee shall keep the premises in good order and in a clean, safe condition by and at the expense of the Lessee. The Lessee shall be responsible for any damage that may be caused to property of the United States by the activities of the Lessee under this lease, and shall exercise due diligence in the protection of all property located on the premises against fire or damage from any and all other causes. Any property of the United States damaged or destroyed by the Lessee incident to the exercise of the privileges herein granted shall be promptly repaired or replaced by the Lessee to a condition satisfactory to said officer, or at the election of said officer, reimbursement made therefor by the Lessee in an amount necessary to restore or replace the property to a condition satisfactory to said officer.

10. RENTAL ADJUSTMENT

In the event the United States revokes this lease or in any other manner materially reduces the leased area or materially affects its use by the Lessee prior to the expiration date, an equitable adjustment will be made in the rental paid or to be paid under this lease. Where the said premises are being used for farming purposes, the Lessee shall have the right to harvest, gather and remove such crops as may have been planted or grown on said premises, or the Grantor may require the Lessee to vacate immediately and, if funds are available, compensation will be made to the Lessee for the value of the remaining crops. Any adjustment of rent or the right to harvest, gather and remove crops shall be evidenced by a written supplemental agreement, executed by the Grantor; PROVIDED, however, that none of the provisions of this paragraph shall apply in the event of revocation because of noncompliance by the Lessee with any of the terms and conditions of this lease and in that event any remaining crops shall become property of the United States upon such revocation.

11. RIGHT TO ENTER AND FLOOD

A. The right is reserved to the United States, its officers, agents and employees to enter upon the premises at any time and for any purposes necessary or convenient in connection with government purposes; to make inspections; to remove timber or other materials, except property of the Lessee; to flood the premises; to manipulate the level of the lake or pool in any manner whatsoever, and/or to make any other use of the lands as may be necessary in connection with government purposes, and the Lessee shall have no claims for damages on account thereof against the United States or any officer, agent or employee thereof.

B. The Lessee expressly agrees to make no claim under flood insurance issued under any Federal Government program for loss to any property of the Lessee located on the premises which arises from or is incident to the flooding of the premises by the Government.

12. INDEMNITY

The United States shall not be responsible for damages to property or injuries to persons which may arise from or be incident to the exercise of the privileges herein granted, or for damages to the property of the Lessee, or for damages to the property or injuries to the person of the Lessee's officers, agents or employees or others who may be on the premises at their invitation or the invitation of any one of them, and the Lessee shall hold the United States harmless from any and all such claims not including damages due to the fault or negligence of the United States or its contractors.

13. RESTORATION

On or before the expiration of this lease or its termination by the Lessee, the Lessee shall vacate the premises, remove the property of the Lessee and restore the premises to a condition satisfactory to said officer. If, however, this lease is revoked, the Lessee shall vacate the premises, remove said property and restore the premises to the aforesaid condition within such time as the said officer may designate or as otherwise specified by the provisions of the condition on **RENTAL ADJUSTMENT**. In either event, if the Lessee shall fail or neglect to remove said property and restore the premises, then, at the option of said officer, the property shall either become the property of the United States without compensation therefor, or the said officer may cause the property to be removed and no claim for damages against the United States or its officers or agents shall be created by or made on account of such removal and restoration work. The Lessee shall also pay the United States on demand any sum which may be expended by the United States after the expiration, revocation or termination of this lease in restoring the premises.

14. NON-DISCRIMINATION

The Lessee shall not discriminate against any person or persons or exclude them from participation in the Lessee's operations, programs or activities conducted on the leased premises, because of race, color, religion, sex, age, handicap or national origin.

15. SUBJECT TO EASEMENTS

This lease is subject to all existing easements, or those subsequently granted, as well as, established access routes for roadways and utilities located, or to be located, on the premises, provided that the proposed grant of any new easement or route will be coordinated with the Lessee, and easements will not be granted which will, in the opinion of the Grantor, interfere with the use of the premises by the Lessee.

16. SUBJECT TO MINERAL INTERESTS

This lease is subject to all outstanding mineral interests. As to federally owned mineral interests, it is understood that they may be included in present or future mineral leases issued by the Bureau of Land Management (BLM) which has responsibility for mineral development of Federal lands. The Grantor will provide lease stipulations to BLM for inclusion in said mineral leases that are designed to protect the premises from activities that would interfere with the Lessees operations or would be contrary to local law.

17. TERMINATION

This lease may be terminated by the Lessee at any time by giving at least sixty (60) days notice thereof, in writing, to the Grantor. In the case of such termination, no refund by the United States of any rental previously paid shall be made and payment in full of all rent becoming due during the period of notice will be required. In the event the effective date of termination occurs after the start of the grazing, planting or harvesting season as specified in the Land Use Regulations, any rent due for the balance of the annual term, or the rental due for the remaining term, if the lease is for less than one year, shall be due and payable on or before the date of such termination.

18. PROHIBITED USES

A. Certain soil conservation practices may be required by the land use regulations which are identified as rental offsets. By acceptance of such offsets, the Lessee agrees that he will not accept any Federal or State cost-sharing payments or subsidies for the same soil conservation practices.

B. The Lessee shall not construct or place any structure, improvement or advertising sign or allow or permit such construction or placement without prior written approval of the Grantor.

19. PROTECTION OF NATURAL RESOURCES

The Lessee shall comply with any laws, regulations, conditions or instructions affecting the activity hereby authorized if and when issued by the Environmental Protection Agency, or any Federal, state, interstate or local governmental agency having jurisdiction to abate or prevent pollution. The disposal of any toxic or hazardous materials within the premises is specifically prohibited. Such regulations, conditions or instructions in effect or prescribed by the said Environmental Protection Agency, or any Federal, state, interstate or local governmental agency are hereby made a condition of this lease. Upon expiration, revocation or termination of this lease, another EBS shall be prepared which will document the environmental condition of the property at that time. A comparison of the two surveys will assist the Grantor in determining any environmental restoration requirements. Any such requirements will be completed by the lessee in accordance with the condition on **RESTORATION**.

23. HISTORIC PRESERVATION

The Lessee shall not remove or disturb, or cause or permit to be removed or disturbed, any historical, archeological, architectural or other cultural artifacts, relics, remains or objects of antiquity. In the event such items are discovered on the premises, the Lessee shall immediately notify said officer and protect the site and the material from further disturbance until said officer gives clearance to proceed.

24. SOIL AND WATER CONSERVATION

The Lessee shall maintain, in a manner satisfactory to said officer, all soil and water conservation structures that may be in existence upon the premises at the beginning of or that may be constructed by the Lessee during the term of this lease, and the Lessee shall take appropriate measures to prevent or control soil erosion within the premises. 25. TAXES

Any and all taxes imposed by the state or its political subdivisions upon the property or interest of the Lessee in the premises shall be promptly paid by the Lessee. If and to the extent that the property owned by the Government is later made taxable by State or local governments under an Act of Congress, the lease shall be renegotiated.

26. COVENANT AGAINST CONTINGENT FEES

The Lessee warrants that no person or selling agency has been employed or retained to solicit or secure this lease upon an agreement or understanding for a commission, percentage, brokerage or contingent fees, excepting bona fide employees or established commercial or selling agencies maintained by the Lessee for the purpose of securing business. For breach or violation of this warranty, the United States shall have the right to annul this lease without liability or, in its discretion, to require the Lessee to pay, in addition to the lease rental or consideration, the full amount of such commission, percentage, brokerage or contingent fee.

27. OFFICIALS NOT TO BENEFIT

No member of or delegate to congress or resident commissioner shall be admitted to any share or part of this lease or to any benefits to arise therefrom. This lease is effective only insofar as the rights of the United States in the premises are concerned.
