

# MARION RESERVOIR 11TH ANNUAL CLEANUP DAY

**Saturday, April 20, 2013  
9:00 a.m. – 1:00 p.m.**

**Volunteers needed to pick up trash around the reservoir and  
all connecting waterways and riparian zones.**

Although the reservoir is great for recreation, this man-made waterway is also home to wildlife refuges lying directly in the central North American flyway. Help us restore this valuable resource for both our human and animal residents.

Dress to get grubby. Gloves, trash bags and refreshments (Mmm-doughnuts) provided. Meet at the Corps of Engineers Office on the east side of the dam.

**CALL  
620-382-2006 or 620-382-2101 to sign up.**

*Sponsored by*  
**Great Plains Computers & Networking**

**The Marion Reservoir Army  
Corps of Engineers**

**Tampa State Bank**

**Missouri Stream Team #2642**

**MudPuppies Nature Club**
