 Tulsa District

# HUNTING GUIDE

## FORT SUPPLY LAKE

Hunting at Fort Supply Lake is in accordance with applicable Federal and state fish and wildlife regulations. Generally, all Corps lands are open to the public for hunting except developed recreational areas and lands around the dam and other structures.

Hunters wishing to obtain current hunting regulations or construct duck blinds on Corps lands must contact the Oklahoma Department of Wildlife Conservation, 1801 N. Lincoln Blvd, Oklahoma City, OK 73105 (405) 521-2739. Refer to the Oklahoma Regulations for information on the Hal and Fern Cooper WMA.

Hunters are urged to exercise the basic rules of good sportsmanship, safety, and common sense.

Vehicles may be driven only on established roads and camping is restricted to designated sites.

Guns may be sighted in only at the ranges located north of the Corps Lake Office and at the south end of the lake off the airport road.

Additional information and copies of regulations governing use of Fort Supply Lake as outlined in Title 36 Code for Federal Regulations may be obtained at the Fort Supply Lake Office, (918) 569-4131, or from the Tulsa District Office, Corps of Engineers, 1645 S. 101<sup>st</sup> E. Avenue, Tulsa, OK, 74128, (918) 669-7370.

Hunting maps of all Tulsa District lakes are available the internet at [www.swt.usace.army.mil](http://www.swt.usace.army.mil)

## RESTRICTED HUNTING

As a result of cooperative arrangements between the Oklahoma Wildlife Conservation Commission and the Tulsa District Corps of Engineers, the unit following has been made available to Oklahoma sportsmen for restricted hunting. With the exception of the special restrictions outlined below, all provisions of the Oklahoma Hunting Regulations for Corps of Engineers lands are applicable on these areas.

The following area is open for hunting of all species which may legally be taken during legal open seasons by archery only.

A 183-acre unit in the south portion of Fort Supply Park.
