HUNTING GUIDE

KEYSTONE LAKE

Hunting at Keystone Lake is in accordance with applicable Federal and State fish and wildlife regulations. Generally, all Corps lands are open to the public for hunting except developed recreational areas and around the dam and other structures.

Persons wishing to obtain current hunting regulations on Corps lands must contact the Oklahoma Department of Wildlife conservation, 1801 n. Lincoln, Oklahoma City, OK 74105 (405) 521-2739.

Hunters are urged to exercise the basic rules of good sportsmanship, safety, and common sense.

Vehicles may be driven only on established roads. Camping is restricted to designated sites.

Additional information and copies of regulations governing use of the Keystone Lake outlined in Title 36 of the Code of Federal Regulation may be obtained at the Keystone Lake Office, (918) 865-2621 or from the Tulsa District Office, Corps of Engineers, 1645 S. 101 E. Ave, Tulsa, OK 74128. (918) 669-7370.

Hunting maps are also available on the Tulsa District's Webpage at www.swt.usace.army.mil

- RESTRICTED HUNTING -

As a result of cooperative arrangements between the Oklahoma Wildlife Conservation Commission and the Tulsa District Corps of Engineers, several tracts have been made available to Oklahoma sportsmen for restricted hunting. With the exception of the special restrictions outlined below, all provisions of the Oklahoma Hunting Regulations for Corps of Engineers lands are applicable on these areas.

The following areas are open for hunting of all species which may legally be taken during legal open seasons by shotgun with pellets and bow and arrow only.

- 1) A 200-acre unit south of Highway 51 on Bakers Branch.
- 2) A 530-acre unit north of New Mannford Ramp Area.
- 3) A 100-acre unit north & south of the Pawnee Cove Access Point.
- 4) A 200-acre unit in the Old Mannford Ramp area.
- 5) A 480-acre unit east of the Cimarron Park Area.
- 6) A 120-acre unit west & south of the Sinnett Cemetery and south of the Old Keystone Road.
- 7) A 200-acre unit on the west side of the north end of the U.S. Highway 64 Bridge.
- 8) A 280-acre unit on the south side of the road ending at Washington Irving North.
- 9) A 460-acre unit including land north & south of the Cowskin North Recreation Area.
- 10) A 135-acre unit on the west side of Walnut Creek.

The following area is open for hunting of all species which may legally be taken during legal open seasons by archery only.

- 1) A 570-acre unit south of the town of Prue.
