of Engineers**
Tulsa District

HUNTING GUIDE

SKIATOOK LAKE

Hunting at Skiatook Lake is in accordance with applicable Federal and state fish and wildlife regulations. Generally, all Corps lands are open to the public for hunting except developed recreational areas and lands around the lock & dam and other structures.

Hunters wishing to obtain current hunting regulations or construct duck blinds on Corps lands must contact the Oklahoma Department of Wildlife Conservation, 1801 N. Lincoln Blvd, Oklahoma City, OK 73105 (405) 521-2739.

Hunters are urged to exercise the basic rules of good sportsmanship, safety, and common sense.

Vehicles may be driven only on established roads and camping is restricted to designated sites.

Additional information and copies of regulations governing use of Skiatook Lake as outlined in Title 36 Code for Federal Regulations may be obtained at the Skiatook Lake Office at (918) 396-3170, or from the Tulsa District Office, Corps of Engineers, 1645 S. 101st E. Avenue, Tulsa, OK, 74128, (918) 669-7370.

Hunting maps of all Tulsa District lakes are available on internet at www.swt.usace.army.mil

RESTRICTED HUNTING

As the result of cooperative arrangements between the Oklahoma Department of Wildlife Conservation and the Tulsa District Corps of Engineers, several tracts of Corps lands have been made available to sportsmen for restricted hunting. With the exception of the special restrictions outlined below, all provisions of the Oklahoma Hunting Regulations for Corps of Engineers lands are applicable on these areas.

The following areas are open for hunting of all species which may legally be taken during legal open seasons by archery only.

- 1) A 138-acre unit in the Osage Park.
- 2) A 150-acre unit area below Skiatook Dam.
- 3) A 120-acre unit in Hominy Landing
