 Top of conservation pool El. 451.0
 67 shoreline miles at El. 451.0
 Total project land & water acreage 19266

US Army Corps of Engineers
 Tulsa District

GENERAL HUNTING INFORMATION

PAT MAYSE LAKE

Hunting at Pat Mayse Lake is in accordance with applicable State and Federal fish and wildlife regulations. Unless otherwise posted, hunting is permitted in designated project hunting areas with all legal weapons. Generally, all Corps lands are open to the public for hunting except developed recreational areas and lands around the dam and other structures.

Persons wishing to obtain the current hunting regulation must contact the Texas Department of Wildlife and Parks, 4200 Smith School Road, Austin, 78744, (512) 389-4800.

Hunters using the Pat Mayse Lake are urged to exercise the basic rules of good sportsmanship, safety, and common sense.

Vehicles may be driven only on established roads and trails, and camping is restricted to designated sites.

Additional information and copies of regulation governing use of the Pat Mayse Lake as outlined in Title 36 of the Code of Federal Regulations may be obtained at the Pat Mayse Lake Office, (903) 732-3020, or from the Tulsa District Office, Corps of Engineers, 1645 S. 101 E. Ave., Tulsa, OK, 74128, (918) 669-7370.

Hunting maps are also available on the Tulsa District's Webpage at www.swt.usace.army.mil
