THESE CONDITIONS ARE FOR

(print name)

IN \_\_\_\_\_ COVE/SUBDIVISION  
(print subdivision)

Mowing and trimming is permitted for a distance not to exceed 30' width onto government property. Any exceptions must be approved by ranger personnel.

Mowing may be permitted as many times per year as desired with rubber-tired equipment.

No trees larger than 1" base diameter may be cut.

Limbs smaller than 1" at base may be trimmed to a height of 8ft. No limbs larger than 1" may be cut.

Pesticides will not be applied without written approval; no herbicides may be used for control vegetation.

Footpath must not exceed 6' in width and must follow a meandering route to prevent erosion and avoid the need to remove trees or other vegetation.
