

## KDWP Natural Resource value assessment and KDHE TMDL priority status

KDHE TMDL High Priority/KDWP High Biological Priority  
 KDHE TMDL High Priority/KDWP Low Biological Priority  
 KDWP Low Biological Priority  
 KDWP High Biological Priority

Natural Resource Value Assessment--HUC 8  
TMDL High Priority Watersheds--HUC14

TMDL data (KDHE)  
Implementation priority is tentative for the  
Upper Republican, Smoky Hill/Saline,  
and Solomon river basins.

Natural Resources Assessment Value (KDWP)  
Information developed to assess natural  
resource impairment for the Unified  
Watershed Assessment.
