2488 EAST 81<sup>ST</sup> STREET  
TULSA, OKLAHOMA 74137-4290**

December 3, 2025

**Public Notice**

**2025 Draft Canton Lake Master Plan and Environmental Assessment  
Canton Lake, North Canadian River Basin  
Blaine, Dewey, and Major Counties, Oklahoma**

The U.S. Army Corps of Engineers (USACE), Tulsa District, hereby informs the public that the 2025 Draft Canton Lake Master Plan (MP), Finding of No Significant Impact (FONSI), and Environmental Assessment (EA) are available for public review and will be available online December 17, 2025. The website provided in this notice includes a presentation describing the MP and proposed changes to the Canton Lake Master Plan, inform the public on how to submit comments, and provide the ability to download the Draft Canton Lake MP. The 45-day public comment period will begin on December 17, 2025, and end on January 30, 2025. The Draft Canton Lake MP, FONIS, EA, and comment instructions will be available for download starting on December 17, 2025, at the following Tulsa District website:

[www.swt.usace.army.mil/Missions/Recreation/Master-Plans/](http://www.swt.usace.army.mil/Missions/Recreation/Master-Plans/)

The master plan is a vital tool produced and used by the USACE to guide the responsible stewardship of the USACE administered lands and resources for present and future generations. The master plan provides direction for appropriate management, use, development, enhancement, protection, and conservation of the natural, cultural, and manmade resources at Canton Lake. The master plan presents an inventory and analysis of land resources, resource management objectives, land use classifications, a resource use plan for each land use classification, current and projected park facility needs, an analysis of existing and anticipated resource use, and anticipated influences on overall project operation and management. The most recent Master Plan for Canton Lake was last approved in 1975.

Comments, suggestions, and questions can be submitted in writing and can be given to the USACE staff at the Canton Lake Project Office, or mailed to: USACE, Lake Manager, 64600 North 2466 Road, Canton, OK 73724. Comments can also be submitted via email to: CESWT-OD-NR@usace.army.mil

Sincerely,

Robert M. Morrow, PMP  
Chief, Environmental Branch  
Southwestern Regional Planning &  
Environmental Center
