## **Comment Form Instructions**

### **Marion Reservoir *Master Plan Revision***

*Comment Period Ends 09 May 2021*

The U.S. Army Corps of Engineers has drafted a revision to the Marion Reservoir Master Plan in accordance with current laws and regulations, public stakeholder comments, and expert advice. The master plan revision will guide the land and recreational management of the federally owned property that make up the lake and its shoreline for the next 25 years. Management activities include protecting natural and cultural resources, providing public land and water recreation, protecting the public, and ensuring reservoir and dam operations. Pertinent information and a copy of the current land use map can be found on the USACE website below.

To add your comments, ideas, or concerns about the future land and recreational management for Marion Reservoir, please submit comments using any of the following methods:

- fill out and return a comment form available below or at:  
<https://www.swt.usace.army.mil/Missions/Recreation/Master-Plans/>
- provide comments in an e-mail message or use comment form and send to:  
CESWT-OD-KC@usace.army.mil
- provide comments in a letter or use comment form and mail to:

U.S. Army Corps of Engineers

Comments Due By 09 May 2021

**Questions, comments, or suggestions?**

Your input into the master plan revision and related environmental concerns under the National Environmental Policy Act (NEPA) is key to developing a successful master plan for the lake project. Please write your questions, comments, or suggestions in the space provided here and mail or e-mail them to the address below no later than the date of this form. Thank you for your participation!

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
