Oologah Lake

Master Plan Revision

Public Information Meeting

30 day comment period 27 February through March 27, 2020

The U.S. Army Corps of Engineers is in the process of revising the Oologah Lake Master Plan. The purpose of the master plan revision is to establish guidelines for comprehensive management and development of all recreational, natural and cultural resources of Oologah Lake. Public input is especially needed regarding all aspects of the master plan, which has not been updated since 1977.

To add your comments, ideas, or concerns about the future master plan for Oologah Lake, comments can be submitted using any of the following methods:

- fill out and return a comment form available at:
<https://www.swt.usace.army.mil/Missions/Recreation/Master-Plans/>
- provide comments in an email message or use comment form and send to:
CESWT-OD-NO@usace.army.mil
- provide comments in a letter or use comment form and mail to:
