

Comment Form Instructions Sardis Lake Master Plan Revision

30 Day Comment Period March 24 through April 23, 2022

The U.S. Army Corps of Engineers is in the process of revising the Sardis Lake Master Plan. The master plan revision will guide the land and recreational management of the federally owned property that make up the its flood storage area for the next 25 years. Management activities include protecting natural and cultural resources, providing public land and water recreation, protecting the public, and ensuring reservoir and dam operations. Pertinent information and a copy of the current land use map can be found on the USACE website below.

To add your comments, ideas, or concerns about the future land and recreational management for Sardis Lake, please submit comments using any of the following methods:

- Fill out and return a comment form available below or at: https://www.swt.usace.army.mil/Missions/Recreation/Master-Plans/
