Skiatook Lake Master Plan Revision

Comment Form Instructions

30 Day Comment Period

December 17, 2025, through January 30, 2026

The U.S. Army Corps of Engineers is in the process of revising the Skiatook Lake Master Plan. The Master Plan revision will guide the land and recreational management of the federally owned property that make up the flood storage area for the next 25 years. Management activities include protecting natural and cultural resources, providing public land and water recreation, protecting the public, and ensuring reservoir and dam operations. Pertinent information and a copy of the current land use map can be found on the USACE website below.

To add your comments, ideas, or concerns about the future land and recreational management for Skiatook Lake, please submit comments using any of the following methods by January 30, 2026:

- **Fill out and return the comment form available below or at:**
