

1 April 2020

In response to the current COVID-19 climate and public safety concerns, the following campground closures are now in effect to Waurika Lake Corps of Engineers managed campgrounds. Campground reservations and fees must be made in advance at www.recreation.gov. Refund policies remain unchanged for those areas that remain open. Refunds will be provided if USACE guidance requires closures.

Kiowa Park I Campground closed until further notice. All other campsite reservations are cancelled through May 15th 2020. Kiowa Park I North and South ramps closed.

Chisholm Trail South Campground Closed until further notice. All campsite reservations are cancelled through May 15th 2020.

Chisholm Trail North Boat Ramp open.

Wichita Ridge Campground closed
