MEMORANDUM FOR Chief, Operations Division, Tulsa District (CESWT-OD/Rex Ostrander), 2488 E81st Street Tulsa, Oklahoma 74137

SUBJECT: Tulsa District, Operations Division, Fort Gibson Lake Master Plan Five Year Review

1. Interdisciplinary Master Plan team, composed of project and district personnel and appointed by district leadership, assigned to conduct a five-year review of Fort Gibson Lake Master Plan.
2. The Project Master Plan meets guidelines established in the 30 January 2013 ER 113-2-550 and 15 August 2002 EP 1130-2-550.
3. A concise review of the Fort Gibson Lake Master Plan was conducted by an Operations-led interdisciplinary team. This review utilized Master Plan performance criteria and criteria in Chapter 3 of EP 1130-2-550 to determine if supplementation or revision is recommended.
4. At the conclusion of the review, the Fort Gibson Master Plan, it was discovered that two land classifications needed to be changed from what is in the previous Master Plan. The attached documents reflect the changes that need to be made.
5. This memorandum serves as an administrative record showing that Fort Gibson Lake Master Plan five-year review has been completed.
6. Please contact for further questions Mr. Jeff Knack, Chief of Natural Resources and Recreation Branch.

SUPPLEMENT NO. I
TO
MASTER PLAN (October 2021)

1. Purpose: The purposes of this supplement are to:
 - a. Section #1 on the map, Change land classification Low Density Recreation to Wildlife Management classification on the map. Acreage changed from .78 acre to 3.6 acres.
 - b. Section #2 on the map, Change land classification from Wildlife Management to Project Operations, 7.35 acres.

2. Scope of Work: Correct land classification will be reflected on all future project brochures, maps, and other documents.

3. Discussion: After five-year review and update of the Shoreline Management Plan it was determined the land classification in these two sections of the master plan needed updated.
