HUNTING GUIDE

OOLOGAH LAKE

Hunting at Oologah Lake is in accordance with applicable federal and state fish and wildlife regulations. Generally, all Corps lands are open to the public for hunting except developed recreational areas and lands around the lock & dam and other structures.

Hunters wishing to obtain current hunting regulations or construct duck blinds on Corps land should reference the current Oklahoma Hunting Guide or contact the Oklahoma Department of Wildlife Conservation, 1801 N. Lincoln Blvd, Oklahoma City, OK 73105 (405) 521-2739.

Hunters are urged to exercise the basic rules of good sportsmanship, safety, and common sense.

Vehicles may be driven only on established roads and camping is restricted to designated sites.

Additional information and copies of regulations governing use of Oologah Lake as outlined in Title 36 Code for Federal Regulations may be obtained at the Oologah Lake Office, (918) 443-2250.

RESTRICTED HUNTING

As the result of cooperative arrangements between the Oklahoma Wildlife Conservation Commission and the Tulsa District Corps of Engineers, several tracts of Corps lands have been made available to sportsmen for restricted hunting. With the exception of the special restrictions outlined below, all provisions of the Oklahoma Hunting Regulations for Corps of Engineers lands are applicable on these areas.

As found in the Oklahoma Administrative Code Title 800-25-3-2 (15), the following areas are open for hunting of all species which may legally be taken during legal open seasons by archery equipment and shotgun with pellets only.

- (A) A 80-acre unit on the east side of Blue Creek Park
- (B) A 180-acre unit on the south side of Spencer Creek Park
- (C) A 120-acre unit east of Double Creek Cove Park
