GENERAL HUNTING INFORMATION

OPTIMA LAKE

Hunting at the Optima Lake is in accordance with applicable federal and state fish and wildlife regulations. Unless otherwise posted, hunting is permitted in designated project hunting areas by all legal means of taking as outlined in the Oklahoma Regulations. Generally, all project lands are open to the public for hunting except developed recreational areas and lands around the dam and other structures.

Hunters wishing to obtain the current hunting regulations or construct duck blinds on Corps lands should reference the current Oklahoma Hunting Guide or contact the Oklahoma Department of Wildlife Conservation, 1801 N. Lincoln Blvd, Oklahoma City, OK 73105 (405) 521-7239.

Hunters using the Optima Lake are urged to exercise the basic rules of good sportsmanship, safety, and common sense.

Vehicles may be driven only on established roads and trails, and camping is restricted to designated sites.

Additional information and copies of regulation governing use of the Optima Lake as outlined in Title 36 of the Code of Federal Regulations may be obtained at the Fort Supply Lake Office, (580) 766-2701, or from the U.S. Army Corps of Engineers, 2488 E 81st Street, Tulsa, OK 74137 (918) 669-7370.
