# GENERAL HUNTING INFORMATION

## TRUSCOTT LAKE

Hunting at Truscott Lake is in accordance with applicable federal and state fish and wildlife regulations. Unless otherwise posted, hunting is permitted in designated project hunting areas with archery equipment and shotgun with pellets only. Generally, all Corps lands are open to the public for hunting except developed recreational areas and lands around the dam and other structures.

Persons wishing to obtain the current hunting regulation must contact the Texas Parks and Wildlife Department, 4200 Smith School Road, Austin, TX 78744 (800) 792-1112.

Hunters using the Truscott Lake are urged to exercise the basic rules of good sportsmanship, safety, and common sense.

Vehicles may be driven only on established roads and trails, and camping is restricted to designated sites.

Additional information and copies of regulation governing use of the Truscott Lake as outlined in Title 36 of the Code of Federal Regulations may be obtained at the Truscott Lake Office (940) 474-3293, or from the U.S. Army Corps of Engineers, 2488 E 81<sup>st</sup> Street, Tulsa, OK 74137 (918) 669-7370.
