Oologah Lake Master Plan Revision

Comment Period Ends 01 November 2021

The U.S. Army Corps of Engineers has drafted a revision to the Oologah Lake Master Plan in accordance with current laws and regulations, public stakeholder comments, and expert advice. The master plan revision will guide the land and recreational management of the federally owned property that make up the lake and its shoreline for the next 25 years. Management activities include protecting natural and cultural resources, providing public land and water recreation, protecting the public, and ensuring reservoir and dam operations. Pertinent information and a copy of the current land use map can be found on the USACE website below.

To add your comments, ideas, or concerns about the future land and recreational management for Oologah Lake, please submit comments using any of the following methods:
